SADIPAL PAPER ROLL & CELLOPHANE PAPER ROLL

Pulp-dyed ribbed paper (paper pulp colouring process which achieves more uniform, long-lasting colours than on printed paper).

- Highly resistant to tearing and discolouration by light or water.
- Made from pure cellulose fibre.
- Non-toxic. (meets EN 71.3 standards)
- Grammage 70gr (natural) and 65gr (coloured).
- Packing: individual for better protection and conservation.

Its size and features make this an excellent paper for working with liquid tempera and paints to create murals and other artwork, as well as craftwork on a large scale, compositions, stage sets, shop window dress, group projects, and even for decorating and protecting tables at events of all kinds, wrapping large items, etc.

100% recyclable and biodegradable

KCK ARTIST GRADE GRAPHITE PENCILS

KCK Artist Graphite Pencils are a complete range of artist-quality graphite pencils with a lead grade from the hardest 2H to the softest 9B. The pencils are of hexagonal shape with a centred premium quality graphite lead varying from 2.0 mm to 3.5 mm, making it convenient and easy to hold. Suitable for drawing, sketching as well as technical layouts and design work. The pencils are made from the incense cedar wood - an ideal wood for premium-quality artist pencils.
